A Combination That Is Doing an Immense Amount of Good This Spring. A superlative blood-purifying medicine like Hood's Sarsapsrilia, taken before meals, combined with a superlative iron tonic like Peptiron Fills, taken after meals—makes the ideal course of Spring Medicine. No other medicines possess such carative properties as these two great restoratives working together. They reach the impure, impoversitied, poisoned, devitalized blood, and the worn, run-down, overworked, exhausted system. They awaken the appetite, aid digestion, purify and vitalize the blood, give renewed strength to the whole body, produce sound natural sleep, and a complete restoration to good health—the greatest of all earthir blessings. It is said that \$2 invested in these two medicines will bring better results than \$1 spent in other treatment. It will be wise to get Hood's Sarsaparilla and Peptiron Fills today.—Adv. as a brand new suit!
